

Ensworth Medical Education Scholarship Award Process/Guidelines

Students approved for an award for the FIRST TIME must submit the following information:

- Final transcript indicating the minimum 60 credits from MWSU and degree received from MWSU.
- Letter of acceptance from the graduate institution.
- A copy of the billing statement from the graduate institution. Note: if the institution has an early payment deadline, arrangements must be made with the Foundation Accounting Office.

Students approved for an AWARD RENEWAL must submit the following information before disbursement will be made:

- Transcript for the previous semester.
- A copy of the billing statement from the graduate institution. Note: if the institution has an early payment deadline, arrangements must be made with the Foundation Accounting Office.

**An application must be submitted for consideration each year.
There are NO automatic renewals.**

Please note that awards are disbursed directly to the graduate institution after all requirements have been met.

The required information should be sent to:

Ensworth Medical Education Scholarship

This scholarship is intended to support highly qualified MWSU graduates with funding for attendance in medical school, both osteopathic and allopathic.

To apply, please complete this form, attach it to the additional required material listed below and return to the contact address at the bottom of the page by the listed deadline.

Name _____

Address _____

City/State/Zip _____

E-mail _____ Phone _____

List of all medical school(s) to which you have been admitted:

Criteria for eligibility:

- Confirmed admission to a medical school, osteopathic or allopathic.
- Completion of a bachelor's degree granted by MWSU (a minimum of 60 credits must have been completed at MWSU).

Please attach the following to your application:

- Copy of all college/university transcripts.
- Statement of financial need (yearly income of parents if a dependent; personal yearly income if independent, including spouse's income if married). Include in this statement your anticipated additional sources of funding for your medical school education.
- Essay describing
 - why you have chosen to become a physician
 - your previous medical experiences
 - your community engagement/volunteering experiences, and
 - the field of medicine in which you plan to practice in the future
- A copy of the acceptance letter for the medical school which you will attend.

The Ensworth Scholarship must be submitted by May 1st of a given calendar year to be eligible for award disbursement in the fall semester (typically August) of the medical school academic year. The Ensworth Scholarship is an annual award renewable only through completing the application process each year.

The Ensworth Scholarship Committee will not consider incomplete applications.
