E-mail _____ Phone _____

List of all medical school(s) to which you have been admitted:

Criteria for eligibility:

- Confirmed admission to a medical school, osteopathic or allopathic.
- Completion of a bachelor's degree granted by MWSU (a minimum of 60 credits must have been completed at MWSU).

Please attach the following to your application:

- Copy of all college/university transcripts.
- Statement of financial need (yearly income of parents if a dependent; personal yearly income if independent, including spouse's income if married). Include in this statement your anticipated additional sources of funding for your medical school education.
- Essay describing
 - why you have chosen to become a physician
 - your previous medical experiences
 - your community engagement/volunteering experiences, and
 - the field of medicine in which you plan to practice in the future
- A copy of the acceptance letter for the accredited medical school which you will attend.
A copy of the billing statement from the graduate institution. Note: *If the institution has an early payment deadline, arrangements must be made with the Foundation Accounting Office.*
